News Letter 5844-031

10thd day of the Seventh month 5844 years after creation

October 11, 2008

Shabbat Shalom Brethren,

The past few weeks have most definitely been exciting to watch. I have been offering my commentary with each new event, and telling you this is exactly what I have said on the DVD which if you have not yet watched and even if you have already watched it, can be viewed at [https://sightedmoon.com/sightedmoon\\_2015/?page\\_id=251](https://sightedmoon.com/sightedmoon_2015/?page_id=251) This DVD is now the fourth best seller at the Prophecy Club.

Brethren I pray that you do understand the gravity of the situation we now in. I have been told by members of my own family that all I talk about is doom and gloom. I regret that some of you may feel this way and that this causes you not to read or study these facts that are on the nightly news and as told to us in prophecy. I share these things with you so that you can believe the bible and get ready and prepare as best we can for the trouble in front of us.

On the DVD which was made in March of 2008, which is what I have been talking about for three years publicly, I explain the grave danger our nations were in due to the huge amount of money the government was then lending to the banking industry. While I was on this speaking tour talking about this, Bears Stern went bankrupt. This was followed over the summer by many others. Then AIG and Lehman's collapsed and now there is a run on the banks all over the world that are in trouble, and this has led to the stock market collapse.

Over the past month I have heard on the nightly and daily news exactly the very same events that I talk about on the DVD that will lead up to the 3rd curse of Pestilence, as told to us in Lev 26. I tell you this not to blow my own horn, but let you know that Yahweh is blowing His Shofar, and I am telling you all to listen.

Many of these events began around the 9th of Av. This has always been the day that the two Temples have been destroyed. 50 days later is the Feast of Trumpets. The timing of these events is very significant and should be noticed by all of us. Just look at world events these past few weeks and think.

In the DVD I tell you that in order for pestilence to take hold in our modern western societies, where disease is virtually unheard of, certain things had to take place. In a News Letter recently I also told you that almost every time Pestilence was mentioned, Famine and sword were used in the same sentence, as if they always went together.

In the DVD I said that in order for the conditions to exist for pestilence to take root and begin to kill off our population certain events had to take place. These events were that our governments, both state and municipal, had to have an economic meltdown. They had to go bankrupt and not be able to pay the civil servants. Once this happened the civil servants would not work for free and they would stay at home. With no one to pick up the garbage, it would not take to long before garbage littered the streets and back allies of our all our cities. This would bring rats and mice and birds all of which carry disease. Rats, bring the plague, and birds the bird flu, both diseases, which in history have killed millions worldwide in just a matter of months.

I also tell you that in order for people to catch the disease they have to be sleeping in the streets and under bridges, because they no longer had a home to live in. How could this happen? I showed you on the DVD, so go and watch it.

Now look at the Nightly News. People are walking away from their homes because they can no longer afford the mortgage. Banks are going belly up. This in turn has caused the banks to become less and less likely to lend money as credit dries up. Credit is drying up because people no longer trust the bank industry and do not buy the bonds and notes issued by banks and industry and the government itself. Without this credit companies and municipal gov's and states cannot operate for very long as they need this credit to finance projects on the books and in future before they ever get paid for it.

On the News this past week was a report of women having to choose whether they should pay the mortgage or rent or buy groceries to feed the kids. Food banks are running out of food. So already people are skipping meals in order to make ends meet. This Famine I have been speaking about does not have to happen because of drought. Economics will also play a major role in whether or not a family has food to put on the table or not. Whether they have a job or do not have a job.

Last Friday Arnold Schwarzenegger asked the US Gov for 7 Billion in aid because the state of California does not have the funds needed to pay its civil servants after the end of October. This was just after the US president signed into law the 700 billion to help stabilize the financial markets.

Yesterday on the radio I heard that there are now 10 states in the US that will be insolvent in 6 months' time. They do not have the cash needed to handle the burgeoning debt caused by the many unemployment claims as more and more businesses shut down because they cannot get the credit needed to stay afloat or the jobs needed to keep going. No one is buying. As these business shut down the tax base for the state also dries up.

Also this week the country of Iceland also declared it was bankrupt. This has caused many of the European countries to scramble shoring up each of its financial institutions.

Add to this also on the news yesterday was a report from JD Power and Associates who are tied into the auto industry, who said that the auto industry worldwide was going to collapse in 2009 due the fact that they could not get the credit to finance the car loans needed in order to

close the deal on the sale of a car. Massive layoffs from the auto industry are expected. This includes the big three and all the imports. This is to be a worldwide disaster.

Now brethren consider this as well. If you cannot get credit because the banks are afraid to lend money to those who will default on that loan, what about the farmer, whose grain prices were through the roof last winter and spring? Most farmers never realized those gains in the price of grain. Speculators did. Now that the harvest is in the price of grain is low again. The farmer has to sell in order to pay for the loan he borrowed in order to plant that crop. The price of food has not come down in the grocery store.

Will the farmer be able to get the money needed to plant his field next spring? With credit so tight it might be a severe problem. If this happens how much closer to a worldwide famine will we be then especially since there were food riots last winter due to the shortage of grains and rice?

Please note I am not indorsing the planting of crops on a Sabbatical year which will begin at Aviv in 2009-2010. In fact this is a warning to those of you who will listen. Lev 25:9 Then you shall cause the trumpet of the Jubilee to sound on the tenth day of the seventh month; on the Day of Atonement you shall make the trumpet to sound throughout all your land.

Beginning at sunset Friday October 10 to sunset October 11 is the day of Atonement according to the sighted moon. For all of you who are new this is a solemn day of fasting. No food or water are to be taken during this time nor sexual relations. It is the final day of the 10 days of awe when Satan is locked away and the curses of Lev 26 come to a close.

It is the time when the announcement that next spring we are not to plant is made, for those who plant a crop over the winter in hopes to harvest it in the spring. Lev 25:9 is for the Jubilee but we are also using it as an example to announce that the Sabbatical year will begin when the New Moon is sighted at Aviv, in the spring after the barley is found to be ripe.

This is not the beginning of the year at atonement as some teach. Nor is it the beginning of the Sabbatical year as others who are not informed teach. The year begins in the spring as Exodus 12:2 teaches, no exceptions. The Shofar is blown now to warn those who might waste their seed and not be able to harvest it.

Once again brethren I urge you to share this News Letter with all that you meet during Sukkot where ever you go. Encourage them to sign up for the News Letter or listen to KMLS-FM 101.9 out of New Mexico, to keep abreast and to learn about the Sabbatical and Jubilee years and how they too are a shadow picture of future prophetic events. Watch the DVD and see just how precisely I tell you of the things you are now hearing on the nightly news. Not obscure little things that no one notices but the big headline stories that lead off the News every night.

And consider this that if I am right on these things, then I am also going to be right on those things yet to come. I am not blowing my own horn. I am telling you what the bible says and you can read it in your own bible.

Get your house ready for the coming famine. Get ready for the Sabbatical year of land rest. Study your bibles and watch the DVD and stop playing Russian roulette with the lives of you children. Because this next curse is aimed at your children. Please get ready and Pray and repent.

This week we are going to review the 10 days of awe at this time of year as it is most appropriate.

This is truly an inspirational teaching.

Take a look at your chart at [https://sightedmoon.com/sightedmoon\\_2015/?page\\_id=250](https://sightedmoon.com/sightedmoon_2015/?page_id=250) . Each of the curses was slated for seven years in duration before the next curse was added to the previous one. The curse of the sword would be finished by the Sabbatical year of 2023, but because there are prisoners of war in every conflict I over lapped the captivity stage by a couple of years.

If we start the captivity on an exact date of 2024, and it was right after the sword, then we would have the captivity start in the year of 2024 and it would run for 7 years, up to 2031 to fulfill the curse of Lev 26:27.

But at the end of seven years what is to happen to Israel then. She is just a remnant at this time. A tenth of what she was a few years before.

The Answer comes from a simple understanding of Jewish teachings. And from an understanding of the Feast of Trumpets and the Day of Atonement and the time period between these two feast days.

Many in the Messianic groups are big into the two houses of Jacob, coming back together. That is the house of Ephraim and the house of Judah coming together and becoming one house. This is the teaching of the Two sticks of Israel as told to us in Ezekiel.

Some are trying to make it happen right now in our day and are working towards this cause. What is the truth about this subject and how does it fit into those things I have been teaching on the Jubilee? Much in every way.

Here is where they get the teaching that the two houses will come back together. In Ezekiel 37. When and how is what we are going to explain today.

15 Again the word of the Lord came to me, saying, 16 "As for you, son of man, take a stick for yourself and write on it: For Judah and for the children of Israel, his companions. Then take another stick and write on it, For Joseph, the stick of Ephraim, and for all the house of Israel, his companions. 17 Then join them one to another for yourself into one stick, and they will become one in your hand. 18 And when the children of your people speak to you, saying, Will you not show us what you mean by these? 19 say to them, "Thus says the Lord God: Surely I will take the stick of Joseph, which is in the hand of Ephraim, and the tribes of Israel, his companions; and I will join them with it, with the stick of Judah, and make them one stick, and they will be one in My hand. 20 And the sticks on which you write will be in your hand before

their eyes. 21 Then say to them, Thus says the Lord God: Surely I will take the children of Israel from among the nations, wherever they have gone, and will gather them from every side and bring them into their own land; 22 and I will make them one nation in the land, on the mountains of Israel; and one king shall be king over them all; they shall no longer be two nations, nor shall they ever be divided into two kingdoms again. 23 They shall not defile themselves anymore with their idols, nor with their detestable things, nor with any of their transgressions; but I will deliver them from all their dwelling places in which they have sinned, and will cleanse them. Then they shall be My people, and I will be their God. 24 David My servant shall be king over them, and they shall all have one shepherd; they shall also walk in My judgments and observe My statutes, and do them. 25 Then they shall dwell in the land that I have given to Jacob My servant, where your fathers dwelt; and they shall dwell there, they, their children, and their children's children, forever; and My servant David shall be their prince forever. 26 Moreover I will make a covenant of peace with them, and it shall be an everlasting covenant with them; I will establish them and multiply them, and I will set My sanctuary in their midst forevermore. 27 My tabernacle also shall be with them; indeed I will be their God, and they shall be My people. 28 The nations also will know that I, the Lord, sanctify Israel, when My sanctuary is in their midst forevermore.

So many Messianic groups have made great doctrines out of this one teaching. But Yahweh Himself has said that this will not happen till David is made King over them and they have been brought back from their dwelling places where they have sinned. This means that David will have been brought back from the grave. This means that the resurrection of the saints has taken place and not beforehand. So how do we reconcile this with all the rest of scriptures?

This week we shall answer the question of when this is to happen and how it is going to happen, and how this is related to the Jubilee and Sabbatical years. Get ready for an eye opener. Even I am surprised at the things I have shown here, because as I write, other thoughts occur and I incorporate them into the discussion and I too am blown away by some of this.

Before we get started take special note of verse 21: Surely I will take the children of Israel from among the nations, wherever they have gone, and will gather them from every side and bring them into their own land;

First it is Yahweh who will bring Israel together, not any group or organized effort to bring this about. It is Yahweh who will perform it and cause it to take place. This is not an Aliyah or a reimmigration to Israel by your choice.

In our past studies we have shown you how Israel, Ephraim and Manasseh, England and the USA, are under the five curses of Lev 26. We have shown you how these curses fit in a chronological order, showing how prophetic events take place at certain times according to the seventh year Sabbatical cycle.

If you have not already done so please do go to [https://sightedmoon.com/sightedmoon\\_2015/?page\\_id=250](https://sightedmoon.com/sightedmoon_2015/?page_id=250) and click on Jubilee file #1 and take it to the printer and make a copy for yourself for future reference. On this chart you can see all the curses as they have taken place and

when they have taken place in the past and future during this last Jubilee cycle, which we are in. You can see how every 7 years a new curse is added to the previous one.

2008 is the year of this writing and tells us we are in the 6th year of the drought years.

2009 is the Sabbatical year when we are not to plant anything, which means we should have two years supply of food for our family on hand. We need to start putting food away now. You can then see each of the other curses and when they are to begin to take place as we have discussed over the course of these past six weeks. If you are new to these News Letters, please do take the time to review them. They are important and detailed, and lead up to this week's study.

2010 begins the series of pestilence outbreaks. It is added to the drought and to terrorism which have been the Head line news during each cycle. Along with the Drought are also famines which we have shown you at the beginning of this article are about to start.

In 2017 the sword is released on Israel, the USA and England [Israel according to the bible] will be destroyed.

2024 after the Sabbatical year of 2023 in which the war is over, the main event of these years will be the prisoners of war. The rag tagged remnant of the USA and England and her commonwealth turned into prisoner and abused by the victors. They are to be sold in Egypt, and no one will buy them, according to Isaiah. Have you read Isaiah 11:11-16 where Israel is to cross over the rivers a second time on dry ground from Egypt, and Isaiah 43:16.

We have covered all of this in detail in the previous weeks, so I will not do so again now. It is because Israel is already in captivity and no longer is a great power that she is not mentioned in the book of Revelation. She is but a shadow of her former self. A remnant. 1Pe 4:17 For the time has come for judgment to begin at the house of God; and if it begins with us first, what will be the end of those who do not obey the gospel of God?

There has to be a time when judgment is ended. From the time when Peter said this Judgment was on the House of Israel.

Let's consider what judgment is. It is a period of time when you are given the chance to repent and turn away from the punishment which is to come.

We read in Jonah 3: 4 And Jonah began to enter the city on the first day's walk. Then he cried out and said, "Yet forty days, and Nineveh shall be overthrown!"

5 So the people of Nineveh believed God, proclaimed a fast, and put on sackcloth, from the greatest to the least of them. 6 Then word came to the king of Nineveh; and he arose from his throne and laid aside his robe, covered himself with sackcloth and sat in ashes. 7 And he caused it to be proclaimed and published throughout Nineveh by the decree of the king and his nobles, saying, Let neither man nor beast, herd nor flock, taste anything; do not let them eat, or drink water. 8 But let man and beast be covered with sackcloth, and cry mightily to God;

yes, let everyone turn from his evil way and from the violence that is in his hands. 9 Who can tell if God will turn and relent, and turn away from His fierce anger, so that we may not perish?  
10 Then God saw their works, that they turned from their evil way; and God relented from the disaster that He had said He would bring upon them, and He did not do it.

I asked a brother for some input and he sent me the following on 40 and judgment.

As far as 40 years and probation (after which comes judgment or blessing):

1. Mosheh fled at age 40 and was called at age 80 to deliver Yisrael; a 40-year span.
2. Yisrael was in the wilderness 40 years until all fell/died who disobeyed; after this time, those who obeyed entered into the Promised Land! (You do remember/realize the year they entered was the start of a new Jubilee cycle?)
3. Mosheh fasted 40 days when receiving the Torah.
4. He fasted another 40 days on round 2 after breaking the first set of Tables.
5. Yahushua fasted 40 days in the wilderness and overcame in a type of what Yisrael had failed to do after coming out of Egypt. The irony: Yisrael of old had plenty yet failed to overcome, while Yahushua had nothing, yet prevailed marvelously!
6. Yisrael rejected Yahushua and was judged within 40 years as Yerushalyim was destroyed.

What I want to show you here is this.

40 Jubilee cycles from the time the Temple was destroyed is 40 multiplied by 49, not 50.

$40 \times 49 = 1960$ .

1960 is the time of Judgment on Israel after the Temple is destroyed. That time or period of judgment to end will be  $1960 + 70AD = 2030$

When you look on the chart you will see that the period of captivity will end in 2030. Or the time of Yisra'el's judgment will be at an end.

We have covered previously the meaning of The Feast of Trumpets. It is the beginning of the 10 days of Awe which is the time between Trumpets and the Day of Atonement. A time of judgment on the world, which will end on the Day of Atonement when Satan is locked away.

Trumpets begins the 10 days of Judgment on whom? Israel has already been judged and punished. This judgment is now on the rest of the world. It is as though the world which has now beaten up on the future bride, and now the groom will avenge his displeasure on those who did this to the bride.

This judgment is completed on the Day of Atonement. This is why I reviewed these two yearly Holy Days with you each year. So you can understand. The Jews kept Passover for 1400 years and never understood the meaning of the day. Then when the Messiah came and they killed Him.

Don't make the same mistake with these fall Holy Days. Understand them.

The Feast of Trumpets represents the beginning of the time of Judgement on the world. Israel is in deep repentance during this time for the sins she has committed. She is in repentance because she is now in captivity and many have died and she is now awakening to how and why she is in captivity once again in our day and age.

This is from 2024 to 2030, a period of seven years according to the Sabbatical cycle. On the yearly cycle this is the first seven days during the days of Awe between Trumpets and Atonement, a time period of deep remorse and deep repentance.

You do need to know the meaning of these two Feast Days. If you do not go back to previous studies and review them.

I have said in the chart that the Captivity ends in 2030. Why? Always be asking why this or that happens and then pray for the answer. The answer is so amazing to me.

From [http://en.wikipedia.org/wiki/Simchat\\_Torah](http://en.wikipedia.org/wiki/Simchat_Torah)

Simchat Torah or Simchas Torah (שמחת תורה) is a Jewish holiday marking the conclusion of the annual cycle of public Torah readings, and the beginning of a new cycle. Simchat Torah is Hebrew for rejoicing with the Torah. On the morning of Simchat Torah, the last parashah of Deuteronomy and the first parashah of Genesis are read out in the synagogue. Most communities have a special Torah reading on the eve of Simchat Torah. At both the morning and evening services in the synagogue, the ark is opened, and the Torah Scrolls are carried around the synagogue in seven circuits, accompanied by singing and dancing.

In 2005 at the Feast in New England I was first shown this. Then at the Feast in Israel one month later I took part in this dancing with the torah. This was the year I was learning about the Calendar so I kept two Feast this year.

When they were dancing with the torah scrolls, to me it was as if we were dancing with the Groom at the wedding. Yahshua who became the word, and the word which are contained in the Torah Scrolls. It was so beautiful, to watch and be a part of. I look forward to Simchat Torah each year.

This Torah reading is done each week from Feast to Feast. A different parashah each week. Sometimes the parashah readings seem to match up with prophetic events in our time and in history. On certain days there are special readings.

One such special day is called Shabbat Shuva. Shabbat Shuva is the Shabbat between Rosh Hashana, The Feast of Trumpets and Yom Kippur, the Day of Atonement. It is called thus after the Haftara from Hoshea 14 which reads:

“Shuva Yisrael – Return, O Israel, unto Hashem your G-d.”

During these days we are obligated to do teshuva, to repent. In fact, some people call this Shabbat Teshuva since it is the Shabbat of the Ten Days of repentance. It is customary in all congregations for the Rabbi to give a sermon calling upon the people to repent before Yom Kippur. He also reviews the laws of Yom Kippur.

<http://www.torah.org/learning/parsha/hsummary/shuva.html>

Haftarah Shuva

Hoshea 14:2-10; Yoel 2:11-27; Micha 7:18-20

This Shabbos is known as Shabbos Shuva – the Shabbos of Return because the Haftarah begins with the words, “Shuva (Return) Yisroel to G-d” Gleaned from both Hoshea and Yoel, the prophets describe G-d’s desire to forgive His children, if only they will repent. The fast of Yom Kippur is mentioned as well as the rewards awaiting us if we proclaim G-d in our midst.

The Shabbat that occurs in this period is known as Shabbat Shuvah (the Sabbath of Return). This is considered a rather important Shabbat.

HOS 14:1 O Israel, return unto the LORD thy God; for thou hast fallen by thine iniquity. We have sinned and been removed from the land for our sins. Yahweh is now calling for us to return to Him. To return to the land of Canaan, to our promised land. He then tells us what to bring;

Verse 2 Take with you words, and turn to the LORD:

That is we are to bring the Torah Scrolls with us when we come back to the land

We are told in Joel when this occurs. At the Feast of Trumpets, Blow the trumpet, and at the Day of Atonement, sanctify a fast. Notice where, in Zion. JOEL 2:15 Blow the trumpet in Zion, sanctify a fast, call a solemn assembly:16 Gather the people, sanctify the congregation, assemble the elders, gather the children, and those that suck the breasts: let the bridegroom go forth of his chamber, and the bride out of her closet.

Is this when the bride groom comes out of His chamber? Is this not when the Bride come out of her hiding, her closet? Keep in mind this scripture is talking about two different events which occur on this day. One the return to the land and the upcoming marriage which is yet later. Take a look at this word closet.

And this word brethren brings us right back the study we did on Noah's Ark which I have just realized. Some of you might want to look at it at

[https://sightedmoon.com/sightedmoon\\_2015/?page\\_id=163](https://sightedmoon.com/sightedmoon_2015/?page_id=163) which is about the covering of Noah's ark and the true meaning of Gopher Wood. And I also just realized that this word also ties into another study we did last fall about the Tallit which you can also read at [https://sightedmoon.com/sightedmoon\\_2015/?page\\_id=181](https://sightedmoon.com/sightedmoon_2015/?page_id=181) Wow, even I am learning things I had not expected to learn as I sat down to write this. Awesome.

Khaw-faw, khoop-pah a covering or a Tallit or the cloud that covered Israel by day and fire by night. And is also the defined by the day of Atonement when our sins are covered by Yahweh. This is also referenced in the zodiac of Cancer, the sheep fold of protection we covered in a recent news Letter. This has so much meaning and is such an awesome study. Simply amazing what is contained in this understanding.

Before I get to far gone on this rabbit trail I will get back to the subject at hand.

Here is the rest of the Torah reading for Shabbat Shuva.

Micah 7:1515 "As in the days when you came out of the land of Egypt, I will show them [Literally- him, collective for the captives] wonders." 16 The nations shall see and be ashamed of all their might; They shall put their hand over their mouth; Their ears shall be deaf. 17 They shall lick the dust like a serpent; They shall crawl from their holes like snakes of the earth. They shall be afraid of the Lord our God, And shall fear because of You. 18 Who is a God like You, Pardoning iniquity And passing over the transgression of the remnant of His heritage? He does not retain His anger forever, Because He delights in mercy. 19 He will again have

compassion on us, And will subdue our iniquities. You will cast all our sins Into the depths of the sea. 20 You will give truth to Jacob And mercy to Abraham, Which You have sworn to our fathers From days of old.

Again we are told of the second time we are to be brought out of Egypt as captives. We just read in Isaiah the same thing.

Jeremiah 50:4 “In those days and in that time,” says the Lord, “The children of Israel shall come, They and the children of Judah together; With continual weeping they shall come, And seek the Lord their God. 5 They shall ask the way to Zion, With their faces toward it, saying, “Come and let us join ourselves to the Lord In a perpetual covenant That will not be forgotten.” 6 “My people have been lost sheep. Their shepherds have led them astray; They have turned them away on the mountains. They have gone from mountain to hill; They have forgotten their resting place. 7 All who found them have devoured them; And their adversaries said, “We have not offended, Because they have sinned against the Lord, the habitation of justice, The Lord, the hope of their fathers.” 8 “Move from the midst of Babylon, Go out of the land of the Chaldeans; And be like the rams before the flocks. 20 In those days and in that time,” says the Lord, “The iniquity of Israel shall be sought, but there shall be none; And the sins of Judah, but they shall not be found; For I will pardon those whom I preserve.

Is Jeremiah not describing Shabbat Shuva. Repentance and forgiveness and returning to the land? Yes, he is most definitely!

Let us read Isaiah who has much more to add to this study.

Isaiah 10: 20 And it shall come to pass in that day That the remnant of Israel, And such as have escaped of the house of Jacob, Will never again depend on him who defeated them, But will depend on the Lord, the Holy One of Israel, in truth. 21 The remnant will return, the remnant of Jacob, To the Mighty God. 22 For though your people, O Israel, be as the sand of the sea, A remnant of them will return; The destruction decreed shall overflow with righteousness. 23 For the Lord God of hosts Will make a determined end In the midst of all the land.

24 Therefore thus says the Lord God of hosts: “O My people, who dwell in Zion, do not be afraid of the Assyrian. He shall strike you with a rod and lift up his staff against you, in the manner of Egypt. 25 For yet a very little while and the indignation will cease, as will My anger in their destruction.” 26 And the Lord of hosts will stir up a scourge for him like the slaughter of Midian at the rock of Oreb; as His rod was on the sea, so will He lift it up in the manner of Egypt. 27 It shall come to pass in that day That his burden will be taken away from your shoulder, And his yoke from your neck, And the yoke will be destroyed because of the anointing oil.

Isaiah is talking about the Assyrians, Germany who will come and take us captives. After they have done this, Germany will move down to Jerusalem with the anti-Christ. After this we are to return to the land. A remnant will return. And we should look to the Exodus of Egypt for clues. Isaiah 14: 1 For the Lord will have mercy on Jacob, and will still choose Israel, and settle them in their own land. The strangers will be joined with them, and they will cling to the house of

Jacob. 2 Then people will take them and bring them to their place, and the house of Israel will possess them for servants and maids in the land of the Lord; they will take them captive whose captives they were, and rule over their oppressors. 3 It shall come to pass in the day the Lord gives you rest from your sorrow, and from your fear and the hard bondage in which you were made to serve,

Isaiah is telling us that those people who held us captives, the Germans and the Arabs and others will now become our captives when they bring us back to the land. Exactly how this is to occur, I do not know. But Yahweh is going to cause some mighty events to take place during this time. Those who held us as prisoners and slaves will now become our servants.

Isaiah 27: 12 And it shall come to pass in that day That the Lord will thresh, From the channel of the River to the Brook of Egypt; And you will be gathered one by one, O you children of Israel. 13 So it shall be in that day: The great trumpet will be blown; They will come, who are about to perish in the land of Assyria, And they who are outcasts in the land of Egypt, And shall worship the Lord in the holy mount at Jerusalem.

Yahweh is going to search each and every one of us out where ever we are in Egypt with our Arab task masters or in Assyria with our German masters where we are about to die. It shall be at the Trumpet. The Feast of Trumpets, when we are told to come back to the land of Israel. It is my opinion that an announcement from the United Nations will declare that all the Americans and English and Dutch and Norwegians and Swedes and other Israelite prisoners will be commanded to be brought back to Jerusalem. The question is why and the answer is also amazing, which we have already shared in a previous study.

Isaiah 60: 9 Surely the coastlands shall wait for Me; And the ships of Tarshish will come first, To bring your sons from afar, Their silver and their gold with them, To the name of the Lord your God, And to the Holy One of Israel, Because He has glorified you. 10 The sons of foreigners shall build up your walls, And their kings shall minister to you; For in My wrath I struck you, But in My favor I have had mercy on you. 11

The Ships of Tarshish will bring us back to the land from around the world. Again, the question is Why. Next week you shall know.

Here are some more scriptures for this time of the days of Awe. The Days of judgment .

Joh 9:39 And Jesus said, "For judgment I have come into this world, that those who do not see may see, and that those who see may be made blind."

Joh 12:31 Now is the judgment of this world; now the ruler of this world will be cast out. This takes place at the end of the Days of Awe, which is the Day of Atonement

Joh 16:8 And when He has come, He will convict the world of sin, and of righteousness, and of judgment:

Joh 16:11 of judgment, because the ruler of this world is judged.

Let me summarize what I am trying to show you with the things contained in this News Letter. No one else in any group that I am aware of is saying or teaching anything like what I am showing you here. The first time I spoke about it was on the Day of Atonement in 2007 and then again on the Speaking tour with the Prophecy Club. And this is now the first time I have tried to explain it in writing and it may be a little mixed up as I put it to paper for the very first time.

Israel, the USA and England, and her commonwealth, have sinned against Yahweh. He punishes them in increasing increments every 7 years in correlation to the Jubilee cycle. Terror, drought and famine, pestilence, then war and lastly captivity.

At the end of this captivity only about 10% of the population of all these people are left. It will be while they are in captivity that they will once again turn to Yahweh and repent and ask for forgiveness and determine to once again obey Him.

This captivity will end after seven years, in 2030, a sabbatical year as you can see on the chart. Yet at the same time Yahweh is now judging Babylon and the world, starting at 2024. Somehow the world will see the difference between what happens to them and what happens to the children of Israel. Much like when they were in Egypt and the first three plagues affected everyone and then the rest of the plagues only affected the Egyptians. Yahweh will have compassion and mercy on His people if they will repent and turn from their rebellious ways.

This is what the Holy Days of the Feast of Trumpets teach us. We know the Judgment is ended when the Azazel goat or Satan has the sins of the world confessed over his head as shown to us in the ceremonies of the Day of Atonement. But we have not reached this point. We are only at the 7th day of the days of Awe, which when changed to the 7 years of the ten years of Judgment brings us to the Shabbat called Shuva.

Between Trumpets and Atonement is always at least one Shabbat and sometimes two. When we look on the chart of the sabbatical years which are represented by the weekly Sabbath, it turns out to be in the seventh year, which matches exactly the time needed to full fill the 7 years for captivity. It also ties precisely into the next 7 year period for the Tribulation which I have shown in other studies.

This Sabbatical year is the same as the weekly Sabbath which falls between Trumpets and Atonement each year and is traditionally called Shabbat Shuva. The Sabbath of return. When we apply this understanding to the Sabbatical year, this year of 2030 which is a land rest year, it is the year of return to the land of Israel from captivity. Those who were your captors will bring you back to the land. Even the ships of Tarshish will gather you and the Arabs will gather you from all over the world to bring you back to the land of Israel.

This understanding has got to be the most revolutionary one I have come across. You may not be convinced of it. That is OK. Weigh those things I have brought forward to date with this teaching and consider it after next week's teaching.

After all as Paul said we look through the glass darkly. That is, prophesy is not always clear to see. But I do believe the Holy Spirit has brought some clarity to a confusing subject.

May Yahweh bless our eyesight and our understanding of His plans and may we all be ready when they take place. Also May each of you have a blessed Sukkot where ever you go and talk about this Jubilee Message with those you meet.

Shalom
