Shabbat Shalom to The Royal Family of Yehovah,

The Taskmaster

One of the scriptures in the Exodus story that is resounding with me this year is the one about the taskmasters. I have now heard the explanation a few times this year and it has caused me to pause the think about our time now.

Exo 1:9And he said to his people, Behold, the people of the sons of Israel *are* many and mightier than we. 10Come, let us deal slyly with them, lest they multiply, and it will be when there comes a war, they join also to our enemies, and fight against us, and get out of the land. 11And they set taskmasters over them to afflict them with their burdens. And they built treasure cities for Pharaoh, Pithon and Raamses. 12But the more they afflicted them, the more they multiplied and grew. And they were grieved because of the sons of Israel. 13And the Egyptians made the sons of Israel serve with harshness. 14And they made their lives bitter with hard work in mortar and in bricks, and in all *kinds of* work in the field; all their work in which they made them do *was* with harshness.

The word taskmaster is translated from Strong's as follows:

H8269 s'ar sar

From H8323; a *head* person (of any rank or class): – captain (that had rule), chief (captain), general, governor, keeper, lord, ([task-]) master, prince (-ipal), ruler, steward.

Now pay close attention to the H823 use of the word Sar.

H8323 s'a'rar saw-rar'

A primitive root; to *have* (transitively *exercise*; reflexively *get*) *dominion*: – X altogether, make self a prince, (bear) rule.

A taskmaster is a person to get dominion over you.

But the Hebrew of the word task master means Tax Collector.

Gils Expository has this to say.

Therefore they did set taskmasters over them, to afflict them with their burdens,... This was the first scheme proposed and agreed on, and was carried into execution, to appoint taskmasters over them; or “princes”, or “masters of tribute” (r), commissioners of taxes, who had power to lay heavy taxes upon them, and oblige them to pay them, which were very burdensome, and so afflictive to their minds, and tended to diminish their wealth and riches, and obliged them to harder labor in order to pay them, and so every way contributed to distress them:

The publican is from the Latin word “publicanus”, and from the Greek word “telones” which mean a tax gatherer. The publican is mentioned quite often throughout the life of Christ. Since Israel was under Roman rule, and part of a province of the Roman Empire, customs duties were farmed out to chief tax collectors (publicani). These chief tax collectors’ what also farm these duties over to the regular tax collectors.

The King James has Publicans in the New testament as Tax collectors.

Mat 18:17And if he shall neglect to hear them, tell *it* to the church. But if he neglects to hear the church, let him be to you as a heathen and a tax-collector.

Luk 5:27And after these things He went out and saw a tax-collector named Levi, sitting at the tax-office. And *He* said to him, Follow Me.

Luk 18:10Two men went up into the temple to pray; the one a Pharisee, and the other a tax collector.

Luk 18:11The Pharisee stood and prayed within himself in this way: God, I thank You that I am not as other men *are*, extortioners, unjust, adulterers, or even like this tax-collector. 12I fast twice *on* the Sabbath, I give tithes of all that I possess. 13And standing afar off, the tax-collector would not even lift up *his* eyes to Heaven, but struck on his breast, saying, God be merciful to me a sinner!

The Israelites were being taxed to death. The taxes increased, and they could not pay them, they were then put in forced labor.

Is this not what Joseph helped to bring about when the people could no longer afford to buy wheat?

Gen 47:13 And no bread *was* in all the land, for the famine *was* very severe, so that the land of Egypt and all the land of Canaan fainted because of the famine. 14 And Joseph gathered up all the silver found in the land of Egypt, and in the land of Canaan, for the grain which they bought. And Joseph brought the silver into Pharaoh's house. 15 And when silver failed in the land of Egypt, and in the land of Canaan, all the Egyptians came to Joseph and said, Give us bread, for why should we die in your presence? For the silver has failed. 16 And Joseph said, Give your cattle, and I will give you for your cattle, if silver has failed. 17 And they brought their cattle to Joseph. And Joseph gave them food for the horses, and for the flocks, and for the cattle of the herds, and for the asses. And he fed them with food for all their cattle for that year. 18 When that year was ended, they came to him the second year and said, We will not hide *it* from my lord, that our silver has failed, also our herds of cattle, *going* to my lord. Nothing is left in the sight of my lord, but our bodies and our lands. 19 Why should we die before your eyes, both we and our land? Buy us and our land for bread, and we and our land will be servants for Pharaoh. And give *us* seed, that we may live and not die, that the land be not desolate. 20 And Joseph bought all the land of Egypt for Pharaoh, for the Egyptians sold every man his field, because the famine prevailed over them and the land became Pharaoh's. 21 And as for the people, he caused them to go into the cities, from *one* end of the borders of Egypt even to the *other* end of it. 22 Only he did not buy the land of the priests, for the priests had a portion from Pharaoh, and ate their portion which Pharaoh gave them. Therefore they did not sell their land. 23 And Joseph said to the people, Behold, I have bought you this day, and your land, for Pharaoh. Lo, *here is* seed for you, and you shall sow the land. 24 And it shall be, as you gather you shall give the fifth *part* to Pharaoh, and four parts shall be your own, for seed of the field, and for your food, and for those of your household, and for food for your little ones. 25 And they said, You have saved our lives. Let us find grace in the sight of my lord, and we will be Pharaoh's servants. 26 And Joseph made it a law of the land of Egypt to this day, that Pharaoh should have the fifth *part*, excepting only the land of the priests, which did not become Pharaoh's.

Joseph had put on the Egyptians a 20% tax.

When Egypt dealt with the Israelites a heavy burden they were forced to pay high taxes and then to build the treasure cities to house those taxes.

And they built treasure cities for Pharaoh, Pithon and Raamses.

Please continue to follow this with me as it is about to get very interesting.

Canadians pay 42% of their income to taxes.

The average American worker faces a total tax burden of 31.5%.

First let's look at the history of taxes in the USA.

History of the Income Tax in the United States

Source: Tax Foundation.

The nation had few taxes in its early history. From 1791 to 1802, the United States government was supported by internal taxes on distilled spirits, carriages, refined sugar, tobacco and snuff, property sold at auction, corporate bonds, and slaves. The high cost of the War of 1812 brought about the nation's first sales taxes on gold, silverware, jewelry, and watches. In 1817, however, Congress did away with all internal taxes, relying on tariffs on imported goods to provide sufficient funds for running the government.

In 1862, in order to support the Civil War effort, Congress enacted the nation's first income tax law. It was a forerunner of our modern income tax in that it was based on the principles of graduated, or progressive, taxation and of withholding income at the source. During the Civil War, a person earning from \$600 to \$10,000 per year paid tax at the rate of 3%. Those with incomes of more than \$10,000 paid taxes at a higher rate. Additional sales and excise taxes were added, and an "inheritance" tax also made its debut. In 1866, internal revenue collections reached their highest point in the nation's 90-year history—more than \$310 million, an amount not reached again until 1911.

The Act of 1862 established the office of Commissioner of Internal Revenue. The Commissioner was given the power to assess, levy, and collect taxes, and the right to enforce the tax laws through seizure of property and income and through prosecution. The powers and authority remain very much the same today.

In 1868, Congress again focused its taxation efforts on tobacco and distilled spirits and eliminated the income tax in 1872. It had a short-lived revival in 1894 and 1895. In the latter year, the U.S. Supreme Court decided that the income tax was unconstitutional because it was not apportioned among the states in conformity with the Constitution.

In 1913, the 16th Amendment to the Constitution made the income tax a permanent fixture in the U.S. tax system. The amendment gave Congress legal authority to tax income and resulted in a revenue law that taxed incomes of both individuals and corporations. In fiscal year 1918, annual internal revenue collections for the first time passed the billion-dollar mark, rising to \$5.4 billion by 1920. With the advent of World War II, employment increased, as did tax collections—to \$7.3 billion. The withholding tax on wages was introduced in 1943 and was instrumental in increasing the number of taxpayers to 60 million and tax collections to \$43 billion by 1945.

In 1981, Congress enacted the largest tax cut in U.S. history, approximately \$750 billion over six years. The tax reduction, however, was partially offset by two tax acts, in 1982 and 1984, that attempted to raise approximately \$265 billion.

On Oct. 22, 1986, President Reagan signed into law the Tax Reform Act of 1986, one of the most far-reaching reforms of the United States tax system since the adoption of the income tax. The top tax rate on individual income was lowered from 50% to 28%, the lowest it had been since

1916. Tax preferences were eliminated to make up most of the revenue. In an attempt to remain revenue neutral, the act called for a \$120 billion increase in business taxation and a corresponding decrease in individual taxation over a five-year period.

Tax Freedom day in Canada in 2016 was June 7. What this means is that the amount of taxes collected from you amount to you working for the Government from January 1 until June 7 and giving them every penny you made. It is only after June 7 that we begin to work for ourselves.

You understand what I am showing you. That taxation is like being enslaved to the government you live under. That is not what is my concern. I am here looking at prophecy and wondering how these ancient sayings are being applied to our time now. The reason this subject came about was because of a video sent to me. Please watch it.

Here in Canada this law is being put through our parliament in an effort to stop the attacks on Islamic peoples. We just so happened to have an attack on a Mosque in Quebec this January 2017.

Motion 103 was tabled by Mississauga, Ont., Liberal backbencher Iqra Khalid last fall, but will be discussed in the aftermath of last month's mass shooting at a Quebec City mosque. It calls on government to "condemn Islamophobia and all forms of systemic racism and religious discrimination."

Iqra Khalid states that she is a Muslim in the article above. Soon in Canada, as it is elsewhere, you will not be able to say anything against Islam. This bill is right now only a non-binding motion. And yet it is this very same method used by the UN who used non-binding motions that were later turned into binding laws with enforced penalties. This today is the Paris Treaty which began as Agenda 21 and before that as the Stockholm Agreement or better known as the UNEP.

Once you are no longer able to speak out against Islamic principles then they are able to bring in Sharia Laws through the Liberal leaning society.

Let me now share with you one such law. The Jizya Tax also known as the Extortion Tax.

Quran

Quran (9:29) – “Fight those who believe not in Allah nor the Last Day, nor hold that forbidden which hath been forbidden by Allah and His Messenger, nor acknowledge the religion of Truth, (even if they are) of the People of the Book, until they pay the Jizya with willing submission, and feel themselves subdued.”

Hadith and Sira

Sahih Muslim (19:4294) – There are many places in the hadith where Muhammad tells his followers to demand the jizya of non-believers. Here he lays down the rule that it is to be extorted by force: “If they refuse to accept Islam, demand from them the Jizya. If they agree to pay, accept it from them and hold off your hands. If they refuse to pay the tax, seek Allah’s help and fight them”

Sahih Bukhari (53:386) – The command for Muslims to spread Islamic rule by force, subjugating others until they either convert to Islam or pay money, is eternal: Our Prophet, the Messenger of our Lord, has ordered us to fight you till you worship Allah Alone or give Jizya (i.e. tribute); and our Prophet has informed us that our Lord says:– “Whoever among us is killed (i.e. martyred), shall go to Paradise to lead such a luxurious life as he has never seen, and whoever among us remain alive, shall become your master.” This is being recounted during the reign of Umar, Muhammad’s companion and the second caliph, who sent conquering armies into non-Muslim Persian and Christian lands (after Muhammad’s death).

Sahih Muslim (1:33) – “I have been commanded to fight against people so long as they do not declare that there is no god but Allah, and he who professed it was guaranteed the protection of his property and life on my behalf except for the right affairs rest with Allah’s The “protection” needed by the unbeliever is from Muhammad himself. In other words, the jizya is paid by the non-Muslim in exchange for not being killed.

Sahih Bukhari (41:19) – “When Allah’s Messenger had conquered Khaibar, he wanted to expel the Jews from it as its land became the property of Allah, His Apostle, and the Muslims. Allah’s Messenger intended to expel the Jews, but they requested him to let them stay there on the condition that they would do the labor and get half of the fruits. Allah’s Messenger told them, “We will let you stay on thus condition, as long as we wish.” So, they (i.e. Jews) kept on living there until Umar forced them [out].” The Khaybar were a peaceful farming community that were attacked by surprise and and conquered. The Jizya in this case was set at half of the no Muslim’s earnings.

Abu Dawud 3006 – An authentic verse narrating more of the story of Khaybar. Muhammad took what was theirs, including their wives and children. He even had some of the men killed afterwards, once he had found their wealth.

Ishaq 956 & 962 – “He who withholds the Jizya is an enemy of Allah and His apostle.” The words of Muhammad.

This was in fact the very thing that ISIS was enforcing upon all those they conquered when they took over parts of Syria and Iraq. Convert, Pay Tax leave or Die.

At the start of this article I told you to pay attention to the word Sarar. It means to get dominion. Let's go to a prophecy by Isaac, shall we? Let us now go to an article that we published in 2015, 2014 and 2008 and 2009.

Islam is going to have Dominion over you

In Genesis we are told a prophecy for our day now. We wrote about it in our News Letters in 2008-2009. We then posted this in our book *The Prophecies of Abraham* which was published in 2010. We also went into great detail about this same event in *The 2300 Days of Hell* which we published in 2014.

I am going back to look at this again and to update some of it, and at this same time bring these things to your attention as they come to light on the nightly news now.

Gen 27:34 And when Esau heard the voice of his father, he cried with a great and exceeding bitter cry, and said to his father, Bless me, me also, O my father! 35 And he said, Your brother came with deceit, and has taken away your blessing. 36 And he said, It is because his name is called Jacob? For he has supplanted me these two times: he took away my birthright, and behold, now he has taken away my blessing. And he said, Have you not reserved a blessing for me? 37 And Isaac answered and said to Esau, Behold! I have made him your lord, and all his brothers I have given him for servants. And with grain and wine I have supported him. And what shall I do now to you, my son? 38 And Esau said to his father, Have you but one blessing, my father? Bless me, me also, my father. And Esau lifted up his voice and wept. 39 And Isaac his father answered and said to him, Behold! Your dwelling shall be of the fatness of the earth and of the dew of heaven from above. 40 And by your sword you shall live, and shall serve your brother.

And it shall be when you shall have the dominion, you shall break his yoke from off your neck.

41 And Esau hated Jacob because of the blessing with which his father had blessed him. And Esau said in his heart, The days of mourning for my father are at hand. Then I will kill my brother Jacob.

This word dominion is the word rud;

H7300 ru'd rood

A primitive root; to tramp about, that is, ramble (free or disconsolate): – have the dominion, be lord, mourn, rule.

And this word break is;

H6561 pa'raq paw-rak'

A primitive root; to break off or crunch; figuratively to deliver: – break (off), deliver, redeem, rend (in pieces), tear in pieces.

We could say that Esau is going to tramp or tear in pieces Jacob's Yoke. At the same time it will be a mournful rulership.

We just kept the Feast of Yom Teruah, of shouting. A battle cry and a warning. But of what? This is what this warning is! A warning that unless Yehovah steps in no flesh would be saved alive.

Mat 24:20 But pray that your flight is not in the winter, nor on the Sabbath day; 21 for then shall be great tribulation, such as has not been since the beginning of the world to this time; no, nor ever shall be. 22 And unless those days should be shortened, no flesh would be saved. But for the elect's sake, those days shall be shortened.

And this warning comes right after you are warned about this abomination of Daniel.

Mat 24:15 Therefore when you see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place (whoever reads, let him understand).

Also note what is said in Revelation about this same image. It was given the ability to speak.

Rev 13:15 And there was given to it to give a spirit to the image of the beast, so that the image of the beast might both speak, and might cause as many as would not worship the image of the beast to be killed.

Now let us go to Daniel 2 and read about the image.

Dan 2:39 And after you shall arise another kingdom lower than you, and another third kingdom of bronze, which shall rule over all the earth. 40 And the fourth kingdom shall be as strong as iron. Since iron crushes and smashes all things; and as the iron that shatters all these, it will crush and shatter. 41 And as to that which you saw: the feet and toes, part of potters' clay and part of iron; the kingdom shall be divided. But there shall be in it the strength of the iron, because you saw the iron mixed with miry clay. 42 And as the toes of the feet were part of iron and part of clay, so the kingdom shall be partly strong and partly brittle. 43 And as you saw iron mixed with miry clay, they shall mix themselves with the seed of men. But they shall not cling to one another, even as iron is not mixed with clay. 44 And in the days of these kings, the God of Heaven shall set up a kingdom which shall never be destroyed. And the kingdom shall not be left to other peoples, but it shall crush and destroy all these kingdoms, and it shall stand forever.

I have to point out a number of things in this verse. Verse 40 in the King James reads like this.

Dan 2:40 And the fourth kingdom shall be strong as yron: forasmuch as yron breaketh in pieces and subdueth all things; and as yron that breaketh all these, shall it break in pieces and bruise.

The word crush is also the same word for breaking in pieces.

H1855 deqaq dek-ak'

(Chaldee); corresponding to H1854; to crumble or (transitively) crush: – break to pieces.

H1854 da'qaq daw-kak'

A primitive root (compare H1915); to crush (or intransitively) crumble: – beat in pieces (small), bruise, make dust, (into) X powder, (be, very) small, stamp (small).

H1915 ha'dak haw-dak'

A primitive root (compare H1854); to crush with the foot: – tread down.

Now let us look at another prophecy in Daniel.

Dan 7:7 After this I looked in the night visions, and behold, a fourth beast, frightening and terrifying, and very strong. And it had great iron teeth; it devoured and broke in pieces, and stamped the rest with its feet. And it was different from all the beasts before it; and it had ten horns.

This same word for break in pieces is the word H1855 dekaq.

Now let us allow the angel sent to Daniel explain this fourth beast.

Dan 7:16 And I came near one of those who stood by, and asked him the truth of all this. So he told me, and made me know the meaning of the things. 17 These four great beasts are four kings; they shall arise out of the earth. 18 But the saints of the Most High shall take the kingdom and possess the kingdom forever, even forever and ever.

This is when it is all over. Then and only then will the Saints take possession. Before this time the Saints will be slaughtered as we are told in verse 21.

Dan 7:19 Then I wanted to know the truth of the fourth beast, which was different from all the others, very frightening, whose teeth were of iron, and his nails of bronze; who devoured, broke in pieces, and stamped the rest with his feet;

This breaking in pieces is the same word we have been looking at.

Dan 7:20 and of the ten horns that were in his head, and of the other which came up, and before whom three fell; even of that horn that had eyes, and a mouth speaking very great things, whose appearance was greater than his fellows. 21 I watched, and that horn made war with the saints and overcame them 22 until the Ancient of Days came, and judgment was given to the saints of the Most High. And the time came that the saints possessed the kingdom. 23 And he said, The fourth beast shall be the fourth kingdom on earth, which shall be different from all kingdoms and shall devour the whole earth, and shall trample it and crush it.

Again the same word H1855 to break in pieces is this word translated to crush it.

Dan 7:24 And the ten horns out of this kingdom are ten kings that shall arise. And another shall arise after them. And he shall be different from the first, and he shall humble three kings. 25 And he shall speak words against the Most High, and shall wear out the saints of the Most High, and plot to change times and laws. And they shall be given into his hand until a time and times and one-half time.

They, the Saints will be given into his hand until a specific time. That time is until the 3 1/2-year tribulation begins. It is at this time that the woman, Israel flees for 3 1/2 years.

Dan 7:26 But the judgment shall sit, and they shall take away his rulership, to cut off and to destroy until the end. 27 And the kingdom and rulership, and the greatness of the kingdom under all the heavens, shall be given to the people of the saints of the Most High, whose kingdom is an everlasting kingdom. And all kingdoms shall serve and obey Him. 28 Here is the end of the matter. As for me Daniel, my thoughts troubled me much, and my face changed on me. But I kept the matter in my heart.

Today, right now, is indeed the time of Jacob's trouble.

Jer 30:1 The Word that came to Jeremiah from Jehovah, saying, 2 So speaks Jehovah, the God of Israel, saying, Write all the Words that I have spoken to you in a book. 3 For, lo, the days come, says Jehovah, that I will bring again the captivity of My people Israel and Judah, says Jehovah. And I will cause them to return to the land that I gave their fathers, and they shall possess it. 4 And these are the Words that Jehovah spoke concerning Israel and concerning Judah. 5 For so says Jehovah, We have heard a voice of trembling, of fear, and not of peace. 6 Ask now, and see whether a man is giving birth? Why do I see every man with his hands on his loins, like a woman in labor, and all faces are turned into paleness? 7 Alas! For that day is great, so that none is like it; it is even the time of Jacob's trouble; but he shall be saved out of it. 8 For it shall be in that day, says Jehovah of Hosts, I will break his yoke from your neck and will burst your bonds. And strangers shall no longer enslave him, 9 but they shall serve Jehovah their God, and David their king, whom I will raise up to them. 10 And you, O My servant Jacob, do not fear, says Jehovah. Do not be terrified, O Israel. For lo, I will save you from afar, and your seed from the land of their captivity. And Jacob shall return, and shall be in rest, and be quiet, and none shall make him afraid. 11 For I am with you, says Jehovah, to save you. Though I make a full end of all nations where I have scattered you, yet I will not make a full end of you; but I will correct you in measure, and will not leave you entirely unpunished.

So what you have now read is about Jacob's trouble, when Esau breaks off the yoke of Jacob and then begins to crush or smash to pieces and break in pieces the whole world, having dominion over that world in these last days.

Then I read in Daniel 8 again this trampling.

Dan 8:7 And I saw him come close beside the ram, and he was moved with anger against him, and struck the ram and shattered his two horns. And there was no power in the ram to stand before him. But he threw him down to the ground and stamped on him. And none could deliver the ram out of his hand.

This word stamped on him is;

H7429 ra'mas raw-mas'

A primitive root; to tread upon (as a potter, in walking or abusively): – oppressor, stamp upon, trample (under feet), tread (down, upon).

This is the King of the North coming against the King of the South as we read about in Daniel 11. In last week's News Letter we talked about the god of forces and the god his father never knew, which are the verses preceding this one.

Dan 11:40 And at the end-time, the king of the south shall butt at him. And the king of the north shall come against him like a tempest, with chariots and with horsemen and with many ships. 41 And he shall enter into the countries and shall overflow and pass over. He shall also enter into the glorious land, and many shall be stumbled. But these shall escape out of his hand: Edom and Moab, and the chief of the sons of Ammon. 42 And he shall stretch out his hand on the lands. And the land of Egypt shall not escape.

When we first began to speak on this subject in 2005, we have always compared the Jubilee cycles of Abraham's life with those of our time now.

This is Abraham Jubilee cycle or one of them.

Ishmael was born to Hagar in the 4th year of the 4th Sabbatical Cycle. Ishmael was conceived the year before. This along with many other things matches up with the middle of our Jubilee cycle, the year 2020. See our video titled [The Case for War](#).

I am still thinking about this butting at the King of the North. It is a war type of butting. In Daniel 11:40 the word butting means to war.

Dan 11:40 And at the end-time, the king of the south shall butt at him. And the king of the north shall come against him like a tempest, with chariots and with horsemen and with many ships.

H5055 na'gach naw-gakh'

A primitive root; to but with the horns; figuratively to war against: – gore, push (down, -ing).

We continue to see many pictures of the so-called refugees streaming into Europe. They are mostly young men and very few women or children by comparison. The men look like they just got out of boot camp. Muscular and not at all starving as we are being told by the press.

But something else is happening geopolitically. Those nations around ISIS territory, those nations on the edge or who could be attacked next are forming alliances whether they like each other or not. You can read more about it in this article. This is rather amazing to me to understand.

As you read how ISIS is forcing them to work together then also consider the following scripture:

Psa 83:1 A Song. A Psalm of Asaph. Keep not silence, O God; do not be speechless, and be not still, O God. 2 For lo, Your enemies roar; and those who hate You have lifted up their head. 3 They take shrewd counsel against Your people, and plot against Your hidden ones. 4 They have said, Come, and let us cut them off from being a nation, so that the name Israel may be remembered no more. 5 For with one heart they have plotted together; they have made a covenant against You— 6 the tents of Edom, and the Ishmaelites; of Moab, and the Hagarites; 7 Gebal, and Ammon, and Amalek; the Philistines with the people of Tyre; 8 and Assyria has joined with them; they have helped the sons of Lot. Selah.

These are all Arab countries and then we have Assyria, which is Germany. It is time to watch our video on Assyria again. Pay attention to the Hammer of Thor in this video and then know that it is what breaks in pieces the whole earth. It is also said in Jeremiah about the breaker being broken. The Hammer of Thor, of Germany is broken which used to break the whole world. It is a Hebrew play on words.

Jer 50:23 How the hammer of the whole earth is cut off and broken! How Babylon has become a ruin among the nations!

In the news Germany and these Arab nations have a common problem- ISIS is forcing millions to flee into Europe and to destabilize the region. They are either forcing this or helping to bring it about as another weapon in order to infiltrate the Northern King.

Last week we wrote you about the Pope and ISIS in Prophecy from our article last year. We have also shown you how ISIS has declared war on Rome and is working towards this goal.

There is much going on and all of it leads us to those prophecies Daniel was told about.

We continue to watch to see Islam attack Rome in such a way to infuriate Europe to form an army and attack the entire Middle East and put all of these jihadists down, as Daniel 11 tells us.

We continue to expect this to happen before the middle of the current Jubilee cycle of 2020 because it is at this time that the Geneva convention will be done away with, The Human rights laws that support gay marriage and LGBT rights. They will be done away in favor of Sharia law and the mass executions of those taken in war, POW or those civilians captured in the fighting. They will become sex slaves to the victors.

Ishmael was conceived in what is our year of 2019 and born in what matches our Jubilee cycle of 2020. Esau was promised to have dominion over us and this 4th beast is going to have dominion over the whole earth.

Earthshaking events are about to happen. When they do, what are you going to do? You must keep the Holy Days of Lev 23 and the Sabbatical year coming up in 2016. Ignoring these is like playing Russian Roulette with the lives of your family. It is time to learn the truth of the Torah and to obey and return to Yehovah. Get the book *Remembering the Sabbatical Year of 2016 and begin the process of returning to Yehovah*.

The Jizya tax that is going to be imposed upon all those that come under the dominion of Islam will break in pieces the whole earth. Your modern taskmasters are again dealing slyly with you today.

Exo 1:10 Come, let us deal slyly with them, lest they multiply, and it will be when there comes a war, they join also to our enemies, and fight against us, and get out of the land. 11 And they set taskmasters over them to afflict them with their burdens. And they built treasure cities for Pharaoh, Pithon and Raamses.

They have ironically combined with the LGBTQ and Women's' Rights and Black Lives Matter, to promote Sharia Law with the Liberal leaning parts of our society today. Once they gain power, then the LGBTQ will be thrown off of rooftops. Women will be enslaved and sold as sex slaves. And Black Lives won't matter anymore then.

Islam is taking over Europe, the current 4th beast of Daniel. It is about to attack and take control of the Middle East. Combined through the UN they will put Sharia in force. You modern Taskmaster, or Tax collectors and republicans will then trample underfoot the rest of the world. You will be either converted or die or pay Jizya tax. Those in Mosel found that the amount varied from day to day. And if they did not have it on them at that very moment they were killed and not allowed to go and get it from home.

You need to read the follow articles in order to see how these new taskmasters are already at work. This first article is from 1999.

In recent years, representatives of some Muslim states have demanded, and often received, special treatment at the United Nations mostly via the Commission on Human Rights (UNCHR). As a result, non-diplomatic terms such as “blasphemy” and defamation of Islam” have seeped into the United Nations system, leading to a situation in which non-Muslim governments accept certain rules of conduct in conformity with Islamic law (the Shari`a) and acquiesce to a self-imposed silence regarding topics touching on Islam. This pattern of behavior has emerged with regard to a host of issues—

Our next article is from 2010 titled EDITORIAL: The United (Muslim) Nations?

The United Nations wants to criminalize religious heresy, provided that those making the claim are Islamists.

Later this month, the United Nations General Assembly will vote on the nonbinding Defamation of Religions Resolution, which would give international sanction to the type of religious persecution commonplace in Muslim-majority countries. Superficially, the resolution contains feel-good human rights language routinely churned out by the U.N. The intent of this resolution, however, is to give sanction to repressive mechanisms that primarily Muslim countries use to stifle critiques of their state-sanctioned sects. This lends international legitimacy to criminal penalties against people who exercise their freedom of worship.

The resolution has been pushed in various forms for over a decade, largely by the 57 states of the Organization of the Islamic Conference. These countries have Shariah-based legal systems that boast the most stringent requirements for public worship and the harshest penalties for not adhering to the official religious orthodoxy. Islam is the only religion expressly mentioned in the resolution.

We can now see the UN is actively doing the work of Islam by removing all mention of Judaism and Christianity from the historic site. This actually came about this past October when UNESCO declared the Temple mount as Islamic.

UNESCO has joined forces with Islamic State. The fundamentalists now have a new weapon: resolutions passed by servile international bodies.

An earlier delay and the opposition of UNESCO’s chief, Irina Bokova, had raised hopes that this act of jihadist, barbaric, unjust, and, frankly, arrogant supremacism might be voted down. It was not. Now a new lie was given the sanction of the world’s largest and most unaccountable body whose reason for being is to preserve significant sites, not to bowdlerize them.

Lies by UNESCO to rewrite history, erasing all traces of Judaism and Christianity to favor a jihadist Islamic fancy, were already under way in 2015. UNESCO fraudulently renamed two ancient Biblical Jewish sites, Rachel’s Tomb and the Cave of the Patriarchs, as Islamic sites. Historically, Islam did not even exist until the seventh century.

This is the history of Islam, how it takes over — with both hard jihad (violence) and soft jihad (usurping history, migration [hijrah], political and cultural infiltration), and intimidation (soft jihad with the threat of hard jihad underneath it). What is even more saddening is that often, as with this vote, it is done with the West’s cooperation and voluntary submission.

As we have shown you above the Muslims will use the sympathies of the west through LGBTQ marches, Black Lives Matter marches and Woman's rights marches to gain a foothold. They then use our anti-discrimination laws to protect their own faith. But once they gain a majority in which they can wield power, those same rights are denied to others such as the case this May 2016 when the 57 Muslim nations colluded at the UN to prevent and LGBTQ meeting on aids.

More than 50 Muslim countries have come together to ban LGBT groups from attending a United Nations AIDS conference dedicated to ending the global epidemic.

The task master for this final phase of the UN beast that is going to dominate and destroy in these last days are already here now. What they ask from you by accepting their non-binding motions of Sharia Law will very quickly be turned or voted into binding laws with sever and lethal penalties. These new taskmasters work slyly at all levels of our current Governments being accepted by the liberal and ignorant groups of our western societies. These tax masters will soon be collecting a tax from you unless you soon repent and return to Yehovah and begin to obey His commandments.

As always you get to choose whom you will follow and whom you will submit to. Choose life.

In closing I was sent the following video. Again am surprised but not surprised to learn that the UNHCR, The UN Refugee Agency is the one sending the current refugees to North America. The Organization for Islamic Cooperation.
