Shabbat Shalom Family,

## The Pope and ISIS are now joined together in destiny

---

It was a few weeks ago that I got very excited about the headline news. It was just as I was posting the Balaam article. I almost pulled that article to run with this one, but I felt I had to let this one grow more. I am so disappointed that no one else seems to have picked up on the importance of it.

I became excited when I read this in the news on Monday August 18, 2014.

Asked if he approved of the **American airstrikes against ISIS**, Pope Francis withheld his moral imprimatur on Monday, refusing to fully support or denounce the military campaign.

“I can only say this: It is licit to stop the unjust aggressor,” the pontiff said during a press conference on the plane back to Rome from South Korea. “I underline the verb: stop. I do not say bomb, make war, I say stop by some means.”

Why was I so excited? Because the Pope had now just condoned attacking ISIS and we all know ISIS would not take this lying down. I was excited because I was watching the actual events in real time, as they happened, that bible prophecy had told us of. Yehovah was lining up the powers that would fulfill prophecy and it was happening right in front of us, yet no one seems to be seeing it.

I want you all to read Isaiah 13 and understand what is going on here.

**Isa 13:1** The burden of Babylon, which Isaiah the son of Amoz saw:

Right here off the bat you are told this is concerning Babylon. The Babylonian system was moved from Babylon to Europe and is seated in Rome. Europa is the woman or the whore of Revelation who rides the Beast. The Beast is the government system. The whore is the religious system. Look up the Legend of Europa and see for yourself. You need to know who is being spoken of in every prophecy, do not just assume.

2 Lift up a banner on a bare mountain, exalt the voice to them, shake the hand, so that they may go into the gates of the nobles. 3 I have commanded My holy ones, I have also called My mighty ones for anger, those who rejoice in My highness. 4 The noise of a multitude in the mountains, as of a great people; a tumultuous noise of the kingdoms of nations gathered together; Jehovah of Hosts gathers an army for the battle.

Far too many people think and assume God is God of Love, but right here and many places you have just read that He is gathering an army to make war.

5 They come from a far country, from the end of the heavens, Jehovah and the weapons of His indignation, to destroy all the land. 6 How! For the day of Jehovah *is* at hand; it shall come as a destruction from the Almighty. 7 Therefore all hands shall be faint, and every man's heart shall melt; 8 and they shall be afraid. Pangs and sorrows shall take hold of them. They shall be in pain like a woman who travails. They shall be amazed at one another, their faces *like* flames.

Look up the words their face flames. It is battles flaming or similar language. Or as I am about to show you:

9 Behold, the day of Jehovah comes, cruel and *with* wrath and fierce anger, to lay the land waste; and He shall destroy its sinners out of it. 10 For the stars of the heavens and their constellations shall not give light; the sun shall be darkened in its going forth, and the moon shall not reflect its light. 12 I will make a man more precious than gold; even a man than the fine gold of Ophir. 13 So I will shake the heavens, and the earth shall move out of its place, in the wrath of Jehovah of Hosts, and in the day of His fierce anger.

What can shake both the heavens and move the earth out of its orbit? One massive nuclear attack can do exactly this sort of thing.

14 And it shall be as a driven gazelle, and as a sheep that no man takes up; each man shall look to his own people, and each one flee into his own land.

Something is about to happen which will cause everyone to defend their own race. Race wars and genocide.

15 Everyone who is found shall be thrust through; and everyone who is joined *to them* shall fall by the sword. 16 And their children shall be dashed to pieces before their eyes; their houses shall be robbed, and their wives raped. 17 Behold, I will stir up the Medes against them, who shall not value silver; and they shall not delight in gold.

Who are the Medes? Are they not the Medo-Persian who today are known as Iran? Read it for yourself in this article on the Medes and know. Do not believe me. We have shown you who exactly the Hunters are and what they do.

18 And bows shall dash the young men to pieces; and they shall have no pity on the fruit of the womb; their eye shall not pity sons.

Now take a look at ISIS and see if there is any pity on the sons or the women. I have already seen many videos of the harshness with which this group exacts justice on those they conquer.

They are ruthless.

19 And Babylon, the glory of kingdoms, the majestic beauty of the Chaldees, shall be as when God overthrew Sodom and Gomorrah. 20 It shall never be inhabited forever, nor shall it be lived in from generation to generation; nor shall the Arabian pitch his tent there; nor shall the shepherds make their *flocks* lie down there. 21 But the wild beasts of the desert shall lie there; and their houses shall be full of howling creatures; and ostriches shall dwell there, and he-goats shall dance there. 22 And hyenas shall cry along with his widows, and jackals in palaces of delight. Yea, her time is coming near, and her days shall not be prolonged.

The reason it will be vacated and no one will live there is because of the nuclear radiation that will be left behind after the attack.

So, what has this to do with the Pope's declaration that it is okay to stop ISIS by whatever means possible? He has indirectly declared war on ISIS.

Go to Daniel 8 and read it in your own bible. I will insert my comments as we go along.

Dan 8:3 Then I lifted up my eyes, and looked. And behold, a ram with *two* horns stood before the canal *having* two horns, and the *two* horns were high, but one *was* higher than the other, and the higher came up last.

We know this ram to be Persia as well as the Arab Spring event of which ISIS is an upsurge. We had written of it in *The Prophecies of Abraham* back in 2009 when we wrote of it in our News letters. You will find it on page 100 of *The Prophecies of Abraham*. This upsurge was to begin in 2012 -2013. It actually began in 2010 after *The Prophecies of Abraham* was published.

From [http://en.wikipedia.org/wiki/Arab\\_Spring](http://en.wikipedia.org/wiki/Arab_Spring)

[The **Arab Spring** (Arabic: ?????? ??????, *ar-rab?? al-?arab?*) is a revolutionary wave of demonstrations and protests (both non-violent and violent), riots, and civil wars in the Arab world that began on 18 December 2010 and spread throughout the countries of the Arab League and surroundings. While the wave of initial revolutions and protests had expired by mid2012, some refer to the ongoing large-scale conflicts in Middle East and North Africa as a continuation of the Arab Spring, while others refer to the second wave of revolutions and civil wars post 2012 as the Arab Winter.

By December 2013, rulers had been forced from power in Tunisia,<sup>[3]</sup> Egypt (twice),<sup>[4]</sup> Libya,<sup>[5]</sup> and Yemen;<sup>[6]</sup> civil uprisings had erupted in Bahrain<sup>[7]</sup> and Syria;<sup>[8]</sup> major protests had broken out in Algeria,<sup>[9]</sup> Iraq,<sup>[10]</sup> Jordan,<sup>[11]</sup> Kuwait,<sup>[12]</sup> Morocco,<sup>[13]</sup> Israel<sup>[14]</sup> and Sudan,<sup>[15]</sup> and minor protests had occurred in Mauritania,<sup>[16]</sup> Oman,<sup>[17]</sup> Saudi Arabia,<sup>[18]</sup> Djibouti,<sup>[19]</sup> Western Sahara,<sup>[20]</sup> and Palestine.

Weapons and Tuareg fighters returning from the Libyan Civil War stoked a simmering conflict in Mali which has been described as “fallout” from the Arab Spring in North Africa.<sup>[21]</sup> The sectarian clashes in Lebanon were described as a spillover of violence from the Syrian uprising and hence the regional Arab Spring.<sup>[22]</sup>]

4 I saw the ram pushing westward and northward and southward; so that no beasts could stand before him, nor any that could deliver out of his hand. But he did according to his will, and became great.

At first it was The Muslim Brotherhood. Now it seems to be ISIS. It could very well be another name or group next but with each new upsurge they grow stronger and more powerful and fearful.

5 And as I was watching, behold, a he-goat came from the west, over the face of the all earth, and did not touch the ground. And the he goat *had* an outstanding horn between his eyes. 6 And he came to the ram that *had two* horns, which I had seen standing before the river, and ran to him in the fury of his power.

Each time we read about a horn, it represents power and government control. It is military strength.

7 And I saw him come close beside the ram, and he was moved with anger against him, and struck the ram and shattered his two horns. And there was no power in the ram to stand before him. But he threw him down to the ground and stamped on him. And none could deliver the ram out of his hand. 8 Then the he-goat became very great. And when he was strong, the great horn was broken. And in its place came up four outstanding *ones* towards the four winds of the heavens. 9 And out of one of them came forth a little horn, which became very great, toward the south and toward the east and toward the bountiful *land*. 10 And it became great, *even* to the host of heaven. And it made fall some of the host and of the stars to the ground, and trampled them.

We are reading the progression of power that leads from one war to where the victor will then be split in four and out of these four will rise up this small power which would then be very great in the end. So many expect Satan to be in every person they can name. Some of you even say President Obama is Satan and you have no idea this is a sin. Others say Prince Charles is Satan to their shame. King David never condemned Saul. King David always remembered Saul was appointed by Yehovah. President Obama is appointed by Yehovah, as is Prince Charles over the nations of Israel, and if you fight it you fight Yehovah. If you continue to do so then you should change your name to Nabal, the husband of Abigail.

What does this mean in Daniel 8? We can find the answer in Daniel 11 speaking of the King of the North.

Dan 11:36 And the king shall do according to his will. And he shall exalt and magnify himself above every god, and shall speak marvelous things against the God of gods, and shall prosper until the fury is fulfilled. For that which is decreed shall be done. 37 He will not regard the God of his fathers, nor the desire of women, nor regard any god. For he shall magnify himself above all.

The God his fathers knew was Yehovah. All nations at one time worshipped the true Elohim, but later became corrupted.

38 But in his place he shall honor the god of forces; and a god whom his fathers did not know, he shall honor with gold and silver, and with precious stones and desirable things. 39 So he shall act in the fortresses of *the* strongholds with a strange god, whom he shall acknowledge. He shall multiply in glory, and he shall cause them to rule over many, and shall divide the land for a price.

The god of forces is also known as Cybel the god of fortresses. She is also known as the Queen of Heaven or the Blessed Virgin Mary. This is Catholicism and this coming king shall think he is above this type of worship. So this Nation will turn from Yehovah and begin to worship The Queen of Heaven. But in the course of time will drop this god in favour of another who his father never knew. The new god of religion on the block is Islam, having only started in the 7th century C.E. This religion is making inroads in the King of the North as we speak. Just check the news for Europe and the riots that go on across Europe with Islamic worshippers.

40 And at the end-time, the king of the south shall butt at him. And the king of the north shall come against him like a tempest, with chariots and with horsemen and with many ships.

This is what Daniel 8 was telling you. That ram will "BUTT" at the King of the North and provoke him to attack back in fury. A blitzkrieg will sweep across the Middle East because of this "BUTTING" this Persian Islamic Ram does towards Europe. But what is it that causes this Goat of the North. (Do you see Yehovah's sense of humour here? Satan is represented as the goat.)

41 And he shall enter into the countries and shall overflow and pass over. He shall also enter into the glorious land, and many shall be stumbled. But these shall escape out of his hand: Edom and Moab, and the chief of the sons of Ammon. 42 And he shall stretch out his hand on the lands. And the land of Egypt shall not escape. 43 But he shall have power over the treasures of gold and silver, and over all the precious things of Egypt. And the Libyans and the Ethiopians *shall be* at his steps. 44 But news out of the east and out of the north shall trouble him. Then he will go out with great fury to destroy, and to devote many to destruction. 45 And he shall plant his palace tents between *the* seas in the glorious holy mountain. Yet he shall come to his end, and none shall help him.

Make note of the verses you have just now read. Read it again and do not gloss over it.

Now let us go back to Isaiah and draw these conclusions together with the news that we see each night.

The Pope has urged war on ISIS, as we have already read above. ISIS has already said that Rome was its next target. Isaiah says that the Medes will attack Rome by nuclear attack. ISIS already controls the area that Zechariah says nuclear missiles will be stored in. Let's look at those scriptures.

**Zec 5:1** And I again lifted up my eyes and looked. And behold! A flying scroll.

This is a missile. It would look like a flying Torah scroll in the air. Remember this is written about 3000 years ago.

2 And he said to me, What do you see? And I answered, I see a flying scroll; its length *is* twenty cubits, and its width ten cubits.

An Egyptian cubit is from 523 to 529 mm (20.6 to 20.8 in) in length, and are divided into seven palms; each palm is divided into four fingers and the fingers are further subdivided. A Biblical cubit is usually estimated as approximately 450 mm or 18 in.

So 20 X 20.6 inches = 34.33 Feet. 20 X 20.8 = 34.66 Feet. 20 X 18 = 30 Feet. A missile of about 30 feet in length would be about 10 Meters long. Take a look at the dimensions of the Iranian Missiles.

3 And he said to me, This *is* the curse that goes forth over the face of the whole earth; for from now on everyone who steals shall be cut off according to it; and everyone who swears from now on shall be cut off according to it.

You all need to look at the meaning of this verse. Those who steal actually means those who acquire by deception or stealth. And those who swear are those who break an oath. This once again brings us back to the Feast of Oaths and the promises our Ancestry made at Sinai to uphold the covenant. We have not done this and these missiles are coming upon us.

4 I will bring it forth, says Jehovah of Hosts; and it shall enter into the house of the thief, and into the house of him who swears falsely by My name. And it shall remain in the midst of his house, and shall devour it, and its timber and its stones.

We who call upon God or claim to be His followers, using His name will have our nations disintegrated for not obeying Him.

5 Then the angel who talked with me went forth and said to me, Now lift up your eyes and see what this *is* that goes forth. 6 And I said, What *is* it? And he said, This *is* the ephah that goes forth. And he said, This *is* their form in all the earth. 7 And behold, a lead cover was lifted up, and a woman *was* sitting in the middle of the ephah.

An Ephah is a basket. The angel is now again describing the payload of the missile. The Ephah is made of lead. You must contain Uranium inside a lead container.

Now we must show you something quite remarkable.

The word for woman which is in the ephah is **H802** ?????? ?????? 'ishsha?h na?sh??ym *ish-shaw', naw-sheem'*

Pay close attention to the details of this word translated as woman. Notice that the word is spelt the same as **H801** ?????? 'ishsha?h *ish-shaw'* But the word now means; The same as H800, but used in a liturgical sense; properly a *burnt offering*; but occasionally of any *sacrifice*: – (offering, sacrifice), (made) by fire.

This word **H800** ?????? 'eshsha?h *esh-shaw'* pronounced the same means *fire*. Feminine of H784; *fire*: – fire.

There is no woman in that lead basket but there is a fire in it. A uranium nuclear fire inside a lead box.

8 And he said, This *is* wickedness. And he cast it into the midst of the ephah. And he cast the lead stone over its opening. 9 And I lifted up my eyes and looked, and behold, two women came out. And the wind *was* in their wings; for they had wings like the wings of a stork. And they lifted up the ephah between the earth and the heavens.

Again this is not speaking of a woman but two fires as two jet propelled engines at the end of the missiles.

10 And I said to the angel who talked with me, Where *are* they going with the ephah? 11 And he said to me, To build a house for it in the land of Shinar; and it shall be established and set there on its own base.

Israel attacked a Nuclear facility in Iraq and then another one in Syria. Read about [both of them in this article](#).

Map al-kibar

Now read in Genesis exactly where Shinar

Map iraq\_osirak\_map

is located.

Gen 10:10 And the beginning of his kingdom was Babel, and Erech, and Accad, and Calneh, in the land of Shinar.

**Gen 11:1** And the whole earth was of one language and of one speech. 2 And it happened, as they traveled from the east, they found a plain in the land of Shinar. And they lived there. 3 And they said to one another, Come, let us make brick and burn them thoroughly. And they had brick for stone, and they had asphalt for mortar. 4 And they said, Come, let us build us a city and a tower, and its top in the heavens. And let us make a name for ourselves, lest we be scattered upon the face of the whole earth.

From Noah's Ark in Eastern Turkey they traveled east along the Euphrates River until it came out of the mountains of modern day Turkey and entered the plains of Syria and Iraq. Urfa is the Biblical Ur from where Abraham was born and raised.

Map Urfa Lgobekli\_tepeloc

I am showing you this because this is the area where prophecy says the nuclear missiles will be stored. And this is the same area today that ISIS has taken control over in the past months. This is also the area where the WMD's were supposed to have been hidden.

ISIS MAP June 2014201406-RedrawingMap-MAP

Now it is quite possible for ISIS to attack Rome as they said they would. Isaiah says it will be a nuclear attack. All the pieces are coming together right now on the world stage.

But there is still more to show you.

King Abdulla of Saudi Arabia warned that if the west ignores ISIS they will be in Europe in a month and the USA in just two months. Is he crazy? Not according to the following report.

## Islamic State Activity Intensifies in Europe, Targets Jews

---

The king's warning comes as reports of IS activity in Europe multiply. A Lebanese news source, the *Naharnet*, reports that France has arrested an IS recruiter in France. The man, who is said to be of Chechen origin, was stopped at the Nice airport on Saturday and taken into custody. *Naharnet* further reports that some 800 French nationals or residents, including several dozen women, have traveled to Syria or returned from the conflict-ridden country, or plan to go there.

(Photo: freemalysiatoday.com) isis-terrorists-300x163

In a separate incident, French authorities have arrested and indicted two Muslim girls, ages 15 and 17, for plotting a suicide bombing in the Great Synagogue of Lyon. The girls contacted each other through social media and are among 60 people under investigation in France for association with radical Islamists, especially the Islamic State, where thousands of Europeans have joined the terrorist group. At least nine French synagogues have been attacked since the commencing of Operation "protective Edge".

Across the channel, police in Britain have asked the public to identify “aspiring terrorists” amid government concern about people who go to fight with extremist groups in the Middle East and might return to carry out attacks on home soil.

Do you remember reading in Daniel the following;

Dan 11:41 And he shall enter into the countries and shall overflow and pass over. He shall also enter into the glorious land, and many shall be stumbled. But these shall escape out of his hand: Edom and Moab, and the chief of the sons of Ammon.

I have always been wondering why the state of Jordan, which is what is being described here in Daniel 11:41, would escape being taken over by this Beast power. Then the headline news this past week answered this question. They will be allies of some sort, fighting a common enemy. Jordan is the last line of defence before ISIS is on the border with Israel. Think about it. Again look at the maps above.

### **Report: Jordan contacts NATO out of fear of ISIS expansion**

Roi Kaisn

08/31/14

Media in Saudi Arabia reported Sunday that Jordan contacted NATO security officials citing growing fear of possible attempts by ISIS to expand into territory held by Israel’s neighbour.

The British ambassador in Amman said that the UK and NATO are ready to help Jordan face any threat from the Islamic extremist organization.

The Vatican is speaking out against a claim that Pope Francis is a target of the Islamic State militant group, otherwise known as ISIS.

In an article published Monday, Italy’s Il Tempo newspaper reported that the pope is a target of ISIS. The paper, citing an unnamed Italian intelligence source, states the pope — who is considered the “bearer of false truths” by the group — is “in the crosshairs of ISIS” and that the extremist group plans to “raise the level of confrontation” by attacking Italy and greater Europe.

However, the Vatican has dismissed the report.

“There is nothing serious to this,” spokesman the Rev. Federico Lombardi S.J. told Catholic News Agency. “There is no particular concern in the Vatican. This news has no foundation.”

ISIS leader Abu Bakr al-Baghdadi, who is behind the group’s offense to overtake large regions of Iraq and Syria in an effort to establish its own Islamic State, issued a threat against Rome earlier this summer, near the start of Ramadan.

“Rush O Muslims to your state. It is your state. Syria is not for Syrians and Iraq is not for Iraqis. The land is for the Muslims, all Muslims,” he said in an audio recording posted online and

reported by the Telegraph. “This is my advice to you. If you hold to it you will conquer Rome and own the world, if Allah wills.”

Earlier this month, ISIS took control of Iraq’s largest Christian city, CNN reported. At the time, the pontiff expressed concern for Christians in the region.

While he has not endorsed American airstrikes against the group, Pope Francis has said ISIS must be stopped.

“I can only say this: It is licit to stop the unjust aggressor. I underline the verb: stop. I do not say bomb, make war, I say stop by some means,” he said during a press conference last week, according to CNN. Adding: “It is there that this should be discussed. Is there an unjust aggressor? It would seem there is. How do we stop him?”

Now do you see why I was so excited and why I still am.

Let me now explain one more thing to you.

For years I have been thinking about the Sabbatical cycles and the one of Joseph consistently keeps me on my toes.

#### Joseph Jubilee CYcle

Joseph’s 7 years of plenty begin in 1607 B.C. and go to 1601 B.C. Then the 7 years of Famine begin from 1600 B.C. until 1594 B.C. One of the verses in Genesis I had not paid attention to until this whole issue arose was in chapter 40.

**Gen 40:1** And after these things it happened that the cupbearer of the king of Egypt, and his baker, had offended their lord the king of Egypt. 2 And Pharaoh was angry against two of his eunuchs, against the chief of the cupbearers and against the chief of the bakers. 3 And he put them under guard in the house of the chief of the executioners, into the prison, the place where Joseph *was* bound. 4 And the chief of the executioners charged Joseph with them, and he served them. And they continued for a time under guard. 5 And they dreamed a dream, both of them, each man his dream in one night, each man according to the interpretation of his dream, the cupbearer and the baker of the king of Egypt, who *were* bound in the prison. 6 And Joseph came in to them in the morning, and looked upon them, and behold, they *were* sad. 7 And he asked Pharaoh's eunuchs who *were* with him under guard in his lord's house, saying, Why are your faces sad today? 8 And they said to him, We have dreamed a dream, and *there is* no interpreter of it. And Joseph said to them, Do not interpretations *belong* to God? Now tell it to me. 9 And the chief cupbearer told his dream to Joseph, and said to him, In my dream, behold, a vine *was* before me. 10 And in the vine *were* three branches. And it was as if it budded, and its blossom shot up. And the clusters of it brought forth ripe grapes. 11 And Pharaoh's cup *was* in my hand. And I took the grapes and pressed them into Pharaoh's cup, and I gave the cup into Pharaoh's hand. 12 And Joseph said to him, This *is* the interpretation of it. The three branches are three days. 13 Yet within three days Pharaoh shall lift up your head and restore you to your place. And you shall deliver Pharaoh's cup into his hand, just as you did when you were his cupbearer. 14 But remember me when it is well with you, and please show kindness to me, and make mention of me to Pharaoh, and bring me out of this house. 15 For indeed I was stolen away out of the land of the Hebrews, and here also have I done nothing that they should put me into the dungeon. 16 When the chief baker saw the interpretation was good, he said to Joseph, I also *saw* in my dream, and three baskets of white bread *were* on my head. 17 And in the top basket *were* all kinds of baked foods for Pharaoh. And the birds ate them out of the basket upon my head. 18 And Joseph answered and said, This *is* the interpretation of it. The three baskets are three days. 19 Yet within three days Pharaoh shall lift up your head from off you, and shall hang you on a tree. And the birds shall eat your flesh from off you. 20 And it happened on the third day, Pharaoh's birthday, that he made a feast to all his servants. And he lifted up the head of the chief cupbearer, and of the chief baker, among his servants. 21 And he restored the chief cupbearer back into his cupbearer office again. And he gave the cup into Pharaoh's hand. 22 But he hanged the chief baker, even as Joseph had interpreted to them. 23 Yet the chief cupbearer did not remember Joseph, but forgot him.

Once again I am guilty of just reading the text and not considering the deeper messages provided here.

First of all, lets identify the Cup holder. We know that Pharaoh represents Satan. So who are these other two characters?

Rev 17:4 And the woman was arrayed in purple and scarlet. And she was gilded with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication.

The cup bearer is the Roman Catholic Church in this dream being told to Joseph. The baker was harder to figure out. Then we were told the name of the leader of ISIS: Abu Bakr al Baghdadi, leader of the Islamic State of Iraq and Syria

The name Abu Bakr is pronounced AA-Buw-BAH-K-er. The name Abu Bakr's origin and use are both in the Arabic language. Abu Bakr is a derivative of the Arabic Bakr. Bakr is a variant form of the English Baker.

Here in the story of Joseph while he was in

Abakir

prison are we being told of prophetic events for our time.

I have shown you in *The 2300 Days of Hell* the chronology for end time events starting with Satan being locked away at Atonement in 2033. 3 1/2 years before this is when the Tribulation begins at Passover 2030. This is when the two witnesses are killed and they work for 3 1/2 years prior to this time which takes us back to Trumpets 2026. Trumpets 2026 is the end of the 2300 days of hell which begin Shavuot 2020.

Is this story of Joseph telling us that both Catholicism after being struck by Islamic nukes, will be taken and restored to serve Pharaoh, and that Abu The Baker will lose his head the same as he has done to thousands of others?

SAbbatival cycle today

And is this to coincide with the birth of Ishmael in 1803 B.C. which lines up with our 2020. The secret pact of Psalm 83 taking place at the conception of Ishmael in 1804 B.C. Matching our 2019 C.E.

Sabbatical cycle Abraham

**Gen 41:1** And it happened at the end of two years of days, Pharaoh dreamed. And behold, he stood by the river.

Is this verse telling us that these events take place 2 years before the 7 years of plenty begin? In other words will Rome be nuked in 2018 or thereabout by Islamic forces, causing Europe to attack and take control of the entire Middle East except Jordan, but also for the sake of peace invading the land of Israel? And will this be the time when the head of ISIS is beheaded and the Pope given a new seat to sit in because Rome is destroyed?

**Dan 11:45** And he shall plant his palace tents between *the* seas in the glorious holy mountain. Yet he shall come to his end, and none shall help him.

I am just sharing what I am seeing. I am not prophesying, just showing you what I see. Test all things and hold fast what is good.
